ELECTRONIC OR PLASTIC?

Who cares, as long as it's from Angelo's!!

Now offering eGift Cards.

What is an eGift Card?

eGift Cards are a more convenient, electronic version of traditional plastic Gift Cards. Available for Angelo's & Angelo's Express stores and online, eGift Cards offer all the same benefits of traditional Gift Cards and then some!

Redeem for any order type

eGifts are redeemable for in-store and online orders of all types including dine-in, take-out, delivery, and pick-up.

eGifts through your App

Customers can get eGifts through your customer app too. Through a user-friendly interface, customers can, in a matter of clicks, purchase eGifts for themselves and their loved ones. The user is redirected to your website to complete the transaction.

Balance Check & Reload

eGift holders can check their balance and history as well as reload it right on your eGift page, without having to log in. They simply enter their eGift twelve-digit number and pin.

Flexible eGift Value

Popular eGift values are \$10, \$25, \$50, and \$100. However, you can select any other denomination between \$1 and \$999.
